

Renewal of Steeplejack and Lightning Conductor Engineer Skilled Worker Cards

Endorsed Course Providers

From **November 2015**, operatives renewing a **Lightning Conductor Engineer** or **Steeplejack blue or gold Skilled Worker card**, are required to attend an ATLAS endorsed course.

These changes have been introduced by the Association of Technical Lightning and Access Specialists (ATLAS) and the Steeplejack and Lightning Protection Training Group (SLPTG) in conjunction with CSCS.

These one-day courses are:

- **Steeplejacks – Anchors for Steeplejacks**
- **Lightning Conductor Engineers – Working at Height for Lightning Conductor Engineers.**

CSCS will only accept certificates from the following endorsed course providers:
